SKILLS

- **DSA C++**
- **HTML, CSS, Javascript**
- **PHP , SQL**
- **MERN Stack**

EDUCATION

- UPES University | BCA   *CGPA: 8.76 till date*
- XII (CBSE) | School   *82% | 2023*

EXPERIENCE

- **Freelancer | TGCI**
  Development of TGCI Institute Learning Management System (LMS)
  Description: Led the end-to-end development of an open-source Learning Management System (LMS) for TGCI Institute on a freelance basis. Collaborated closely with the institute's stakeholders to understand their requirements and translate them into actionable project tasks.
  Successfully implemented the LMS using **ILIAS**, integrating it seamlessly into the existing TGCI Institute website built on WordPress.
